

Upper Front A-arm mount reinforcement Kit for 2024 600R Race Sled

The kit (#0818050) must be ordered directly from the Polaris Race Dept. Contact Scott Wilczek at Scott.Wilczek@polaris.com to order.

(Kit includes: 2 – Steel reinforcement plates and 18 - #7661637 Steel Rivets)

*Install an a-arm bolt with the black pivot bushing (pivot bushing will keep the mount from closing in) thru the mount and reinforcement plate, ensuring that there is not back and forth play before riveting plate to bulkhead
