

WINDSHIELDS

| | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|------------------------------------------------------------------------------------|
| A | 2882191 | TEMPERED GLASS WINDSHIELD |
| Durable automotive glass windshield, easily removable with 4 hand clamps | | |
| B | 2882874 | TEMPERED GLASS TIP-OUT WINDSHIELD |
| Tip-out design offers three positions - open, closed, and vented | | |
| C | 2883300 | HARD COAT POLY WINDSHIELD |
| Durable polycarbonate material, easily removable with 4 hand clamps | | |
| D | 2883266 | HARD COAT POLY WINDSHIELD - VENTED |
| Similar to the Hard Coat Poly Windshield, but with added vents located at the bottom of the windshield that allow for adjustable airflow on a hot day or defrost on a cold day | | |
| E | 2883278 | POLY WINDSHIELD |
| Standard polycarbonate windshield, easily removable with 4 hand clamps | | |
| F | 2883301 | POLY HALF WINDSHIELD |
| Half-coverage design provides protection while allowing complete airflow to occupants | | |
| G | 2882754 | WINDSHIELD WIPER & WASHER SYSTEM (REQUIRES PULSE ROOF BUSBAR - 2882904) |
| 17-inch mounted wiper and washer kit for PRO XD windshields. Provides users with clearer vision for a safer ride in any weather condition | | |

ROOFS

| | | |
|--------------------------------------------------------------------------------------------------------------------------------------------|----------------|-----------------------------------|
| H | 2882911 | POLY ROOF - 2000D |
| Add protection from weather and jobsite hazards with this durable injection molded rigid plastic roof. For 2000D models | | |
| I | 2883274 | POLY ROOF - 4000D |
| Add protection from weather and jobsite hazards with this durable injection molded rigid plastic roof. For 4000D models | | |
| J | 2882914 | PREMIUM ROOF LINER - 2000D |
| This sound-absorbing roof liner drastically reduces in-cab noise, allowing drivers and passengers to hold a conversation. For 2000D models | | |
| K | 2883457 | PREMIUM ROOF LINER - 4000D |
| This sound-absorbing roof liner drastically reduces in-cab noise, allowing drivers and passengers to hold a conversation. For 4000D models | | |

DOORS

| | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|---------------------------------------------|
| L | 2884275-453 | FRONT CRANK WINDOW DOORS |
| Designed alongside the PRO XD cab for perfect fit and seal, tempered glass crank windows and liner with storage | | |
| M | 2884276-453 | REAR CRANK WINDOW DOORS (4000D ONLY) |
| Designed alongside the PRO XD cab for perfect fit and seal, tempered glass crank windows and liner with storage | | |
| N | 2884277 | FRONT CLEARVIEW DOORS |
| ClearView doors allow for maximum driver visibility in tight maneuvers on work sites. Upper window constructed of tempered glass, bottom shell made of tough poly | | |
| O | 2884278 | REAR CLEARVIEW DOORS (4000D ONLY) |
| ClearView doors allow for maximum driver visibility in tight maneuvers on work sites. Upper window constructed of tempered glass, bottom shell made of tough poly | | |
| P | 2882902 | FRONT CANVAS DOORS |
| Constructed of UV-and-tear-resistant canvas stitched around 1/2" solid rod frame. Zipper windows with hook-and loop holders, easily removable with no tools | | |
| Q | 2883634 | REAR CANVAS DOORS (4000D ONLY) |
| Constructed of UV-and-tear-resistant canvas stitched around 1/2" solid rod frame. Zipper windows with hook-and loop holders, easily removable with no tools | | |

REAR PANELS

| | | |
|------------------------------------------------------------------------------------------------------------------------------------------------|----------------|-----------------------------------------------------|
| R | 2879013 | TEMPERED GLASS REAR PANEL |
| Constructed of tempered automotive glass, this rear panel fits perfectly into the ROPS for a tight seal. Easily removable with no tools | | |
| S | 2879015 | TEMPERED GLASS REAR PANEL WITH SLIDER WINDOW |
| Similar to the Tempered Glass Rear Panel, but with an added slider window to allow drivers to control airflow and access tools in the rear box | | |
| T | 2883773 | POLY REAR PANEL (NOT PICTURED) |
| The most affordable rear panel option. Designed to fit the PRO XD for perfect fit and seal, made of durable polycarbonate | | |

SAFETY

| | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|--------------------------------------------|
| U | 2884133 | SPEED LIMITER 15 MPH (NOT PICTURED) |
| Limits vehicle to 15 MPH for better jobsite safety | | |
| V | 2884224 | STROBE LIGHT BEACON |
| SAE J845 Class 2 Light with strobe function for jobsite safety. Roof Required | | |
| W | 2882158 | FIRE EXTINGUISHER HOLDER - 2.5LB |
| Fire Extinguisher Holder mounts directly inside cab frame between the driver and passenger seat. Designed to hold a standard 2.5lb extinguisher (not included) | | |
| X | 2879969 | REARVIEW MIRROR |
| Durable, weatherproof construction, designed to perform in all off-road conditions. Mirror attaches to mount & is adjustable | | |
| Y | 2881439 | WIDE ANGLE REARVIEW MIRROR |
| Wide-angle mirror that mounts to the front over structure. Wide viewing angle and large 2.5" x 14" convex mirrored surface gives users a full spectrum view | | |

DURABILITY

| | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|------------------------------------------------|
| Z | 2882784 | FRONT A-ARM GUARDS |
| Reliable protection for front suspension. Engineered from High-Molecular Weight (HMW) polyethylene, a lightweight yet strong material with low friction, so it slides across the tops of rocks and obstacles | | |
| AA | 2882787 | REAR A-ARM GUARDS |
| Reliable protection for rear suspension. Engineered from High-Molecular Weight (HMW) polyethylene, a lightweight yet strong material with low friction, so it slides across the tops of rocks and obstacles | | |
| BB | 2882530 | ROCK GUARDS WITH STEPS - 20000 |
| Sturdy, steel construction includes a black e-coat and a durable, black powder-coated finish. Added step makes it easy to get into the vehicle, and remove mud from footwear with an integrated boot scraper. For 20000 models only | | |
| CC | 2883398 | ROCK GUARDS WITH STEPS - 40000 |
| Sturdy, steel construction includes a black e-coat and a durable, black powder-coated finish. Added step makes it easy to get into the vehicle, and remove mud from footwear with an integrated boot scraper. For 40000 models only | | |
| DD | 2884230 | AIR FILTER SERVICE GAUGE (NOT PICTURED) |
| Easy-to-read gauge that indicates when air filter needs to be serviced | | |

UTILITY

| | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------|--------------------------------------------------------------|
| EE | PLOW SYSTEM - REQUIRES WINCH | |
| | 2879874 - 72" steel plow blade with wear bar | 2883255 - Plow Frame |
| | | 2879106 - Plow Mount |
| FF | 2884248 | 6000 LB. WINCH WITH SYNTHETIC ROPE |
| Kit includes all the necessary parts to add a winch to PRO XD vehicles. 6,000 Lb. pulling capacity, synthetic rope, auto-stop technology | | |
| GG | 2884246 | DIESEL BLOCK HEATER |
| Diesel engine block heater makes it easier to start PRO XD vehicles in cold weather conditions | | |
| HH | 2883265 | LED WORK LIGHT (REQUIRES PULSE ROOF BUSBAR - 2882904) |
| Add 50 ft of illumination 360° around your vehicle with the Work Beacon LED Light. This light is ideal for plowing and night time utility work | | |
| II | 2884209 | CARGO BOX LIFT |
| Lift the Cargo Box from the driver's seat. Switch is located on the dash | | |
| JJ | 2881531 | HEADACHE RACK |
| Cargo Rack that tips down. Multiple Tie Down Points for the worksite | | |
| KK | 2879354 | CHAINSAW PRESS |
| Attach or detach a chainsaw quickly. It can be secured to the outside of the bed wall in seconds, without tools, to hold a chainsaw while maximizing bed space | | |

COMFORT AND CONVENIENCE

| | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|----------------------------------------------------------------|
| LL | 2884212 | HEAT AND DEFROST KIT |
| Complete kit to add heat and defrost to PRO XD models. Adjustable settings and in-dash controls | | |
| MM | 2882871 | CAB LIGHT (REQUIRES PULSE ROOF BUSBAR - 2882904) |
| Roof-mounted LED light - includes white, red, blue and green options for a variety of uses | | |
| NN | 2883244-458 | SEAT COVER |
| Protect your PRO XD seats with the same work-ready quality and durability found in Carhart® workwear with the custom-fit Full-Size Seatsaver® protectors for both the seat bottom and backrest | | |
| OO | 2882888 | VISOR RADIO UNIT (REQUIRES PULSE ROOF BUSBAR - 2882904) |
| Bluetooth®, Apple® Control, AM/FM Visor Stereo & 4 X 6.5" Speakers by MB Quart® | | |
| PP | 2882876 | REAR ROOF SPEAKERS |
| 2 x 6.5" 2-Way Rear Roof Speakers by MB Quart® | | |
| QQ | 2882904 | POLARIS PULSE ROOF BUSBAR |
| Required for installation of Wiper kit (2882754) and Visor Radio Unit (2882888). PN 2883231 required for use with 40000 vehicles | | |

PART #S, DESCRIPTIONS, AND PICTURES ARE SUBJECT TO CHANGE

Warning: Polaris PRO XD vehicles can be hazardous to operate and are not intended for on-road use. All riders should always wear head protection - such as hard hats or a helmet - that is appropriate for operating conditions and intended usage, considering factors such as intended speed, unevenness of terrain, turns in path, weather, obstacles, and other traffic. Always use seat belts and close doors (as equipped). Never engage in stunt driving, and avoid excessive speeds and sharp turns. Riding and alcohol/drugs don't mix. All riders should take a safety training course. Call 800-342-3764 for additional information. ©2018 Polaris Industries Inc
