**TESTED.  
PROVEN.  
AUTHENTIC.**

Indian Motorcycle® Accessories are developed in concert with the design, engineering and testing of your motorcycle to ensure perfect fit and premium quality. We insist that our testing exceeds what an accessory or motorcycle will endure on the road. Environmental tests ensure that appearance is maintained, even with exposure to the elements. Structural, vibration and on-road testing ensure that our accessories meet and exceed riders' expectations.

## QUALITY ASSURANCE TESTS:

AT LEFT:

### SHAKER - STRENGTH

#### VEHICLE DURABILITY SIMULATION:

Replicates the damaging aspects of actual road inputs such as potholes, rumble strips, bumps, etc. This test ensures the bike and accessories can withstand these inputs and maintain their integrity.

#### ELECTRODYNAMIC SHAKER:

Replicates high frequency vibrations from the engine and other inputs to ensure parts are structurally sound and don't loosen over time.

AT RIGHT:

### ENVIRONMENTAL DURABILITY

These tests ensure that individual components do not physically or visually degrade in the harshest of environments or when exposed to common chemicals that may come into contact with the bike. They are tested to the harshest standards to make sure they last for the life of that part.

BELOW:

### CYCLE - PHYSICAL DURABILITY

#### OVERLOAD:

This test ensures that a part meets the limits set forth without cracks, bends or deformation.

#### FATIGUE:

This test ensures real world usage and the cycles of regular use over time. For example, pressing on a back rest or pulling on handlebars.

NOT SHOWN:

### ON-ROAD

This test is the most authentic as parts are tested on real roads and conditions. This testing confirms the lab test results and ensures the product behaves in the way it was intended.

# BUILD IT BAD

Slammed stance. Chopped fenders. Knobby tires. Blacked-out and stripped-down. The Scout® Bobber is no frills, all attitude. The only place we didn't hold back: the 100 barely-tamed horsepower of a 69-cubic-inch V-Twin. Grab on. Hold fast. Your legend is just getting started.

 \*Optional Black Heat Shield (2883482-266), sold separately.  
 \*\*Fits model year 2017-2018. \*\*Fits model year 2015-2016.

NEW

## Performance Air Intake

- 2882519  $\Delta$  \$99.99

Dealer installation required. Fits model year 2015-2018.

## Indian® Performance Shocks by Fox®

- 2881790-463 Black \$899.99

Kit includes 2 shocks, spanner wrench and instructions. Preload adjustable, installs in place of stock shocks. Fits model year 2015-2018.

These Indian® Scout® Performance Shocks are tuned specifically for the Indian® Scout® to optimize the bike's high-performance ride and handling. These shocks have a gas-charged mono-tube with internal floating piston (IFP). They give a rider wide-range rebound adjustability and the coil spring offers preload adjustability. They have advanced high-flow, deflective disk, velocity-sensitive damping, and are fully rebuildable and revalveable.

$\Delta$  This kit meets EPA and CARB emission limits. Non-competition street use may violate federal noise limits. Please see back cover for further information.

# PROOF MACHINES HAVE SOULS

Matte-black finish. Unpolished. Uncompromising. This is the Chief Dark Horse®. Powered by the Thunder Stroke® 111 V-Twin engine. Highlighted by blacked-out details, dual exhaust, keyless ignition, and cruise control. The throaty growl from this sinister machine doesn't just demand attention, it refuses to be ignored.

50 state emissions compliant. Non-competition street use may violate federal noise limits. Indian Motorcycle® recognizes the importance of environmental laws that regulate exhaust and noise emissions and is committed to developing performance parts that allow motorcycle enthusiasts to modify their vehicles in a safe and responsible manner for racing applications. Emissions / Safety: Federal and many state laws prohibit the removal, modification, or rendering inoperative any part installed on motor vehicles by Indian Motorcycle® affecting emissions or safety on motor vehicles manufactured for use on a public street or highway. Violation may result in fines. International markets, please consult your local laws for additional information. Noise: Certain Indian Motorcycle® performance parts are subject to noise-related usage restrictions. The warning statement for these parts includes the statement, "Non-competition street use may violate federal noise limits." These products are designed for use on closed course competition motorcycles only and do not conform to U.S. EPA noise emission standards. Use on motorcycles subject to EPA noise regulations constitutes tampering and is a violation of Federal law unless it can be shown that such use does not cause the motorcycle to exceed applicable Federal Standards.

50 state emissions compliant. Non-competition street use may violate federal noise limits. Indian Motorcycle® recognizes the importance of environmental laws that regulate exhaust and noise emissions and is committed to developing performance parts that allow motorcycle enthusiasts to modify their vehicles in a safe and responsible manner for racing applications. Emissions / Safety: Federal and many state laws prohibit the removal, modification, or rendering inoperative any part installed on motor vehicles by Indian Motorcycle® affecting emissions or safety on motor vehicles manufactured for use on a public street or highway. Violation may result in fines. International markets, please consult your local laws for additional information. Noise: Certain Indian Motorcycle® performance parts are subject to noise-related usage restrictions. The warning statement for these parts includes the statement, "Non-competition street use may violate federal noise limits." These products are designed for use on closed course competition motorcycles only and do not conform to U.S. EPA noise emission standards. Use on motorcycles subject to EPA noise regulations constitutes tampering and is a violation of Federal law unless it can be shown that such use does not cause the motorcycle to exceed applicable Federal Standards.

# MUSCLE THROUGH THE CROWD

Take the lead with Chieftain® Limited. Featuring aggressive styling with a 19-inch contrast-cut wheel and sawed-off open front fender that offers a subtle nod to Indian Motorcycle's open fenders of the 1920s and 1930s. And the industry-leading Ride Command® system with a seven-inch touchscreen and 100-Watt premium audio system. All fueled by the Thunder Stroke® 111 V-Twin engine.

50 state emissions compliant. Non-competition street use may violate federal noise limits. Indian Motorcycle® recognizes the importance of environmental laws that regulate exhaust and noise emissions and is committed to developing performance parts that allow motorcycle enthusiasts to modify their vehicles in a safe and responsible manner for racing applications. Emissions / Safety: Federal and many state laws prohibit the removal, modification, or rendering inoperative any part installed on motor vehicles by Indian Motorcycle® affecting emissions or safety on motor vehicles manufactured for use on a public street or highway. Violation may result in fines. International markets, please consult your local laws for additional information. Noise: Certain Indian Motorcycle® performance parts are subject to noise-related usage restrictions. The warning statement for these parts includes the statement, "Non-competition street use may violate federal noise limits." These products are designed for use on closed course competition motorcycles only and do not conform to U.S. EPA noise emission standards. Use on motorcycles subject to EPA noise regulations constitutes tampering and is a violation of Federal law unless it can be shown that such use does not cause the motorcycle to exceed applicable Federal Standards.

# AUTHENTIC APPAREL

Indian Motorcycle® is more than a brand name. It's a symbol of everything we stand for. A rich heritage that, since 1901, has been focused on one thing: the ride. And with Indian Motorcycle® apparel, you stand united in that belief. T-shirts, jackets, boots, hats, helmets and more. Whether you're riding or not, you can wear your heart on your sleeve.

**Check out the full line of rider-tailored gear and apparel at your local dealer or at [INDIANMOTORCYCLE.COM](http://INDIANMOTORCYCLE.COM).**

Always wear a helmet, protective eyewear and clothing and insist your passenger does the same. Ride within the limits of the law and your own abilities. Read and understand your owner's manual. Never ride under the influence of drugs or alcohol. Indian Motorcycle® strongly recommends riders take a Motorcycle Safety Foundation® Rider Course. For a course near you, call 1-800-446-9227. Protect riders' rights by joining the American Motorcycle Association®. For the name of your nearest Indian Motorcycle® dealer, call 1-800-POLARIS or go to polarisindustries.com. Indian Motorcycle® recognizes the importance of environmental laws that regulate exhaust and noise emissions and is committed to developing performance parts that allow motorcycle enthusiasts to modify their vehicles in a safe and responsible manner for racing applications. Parts and kits designated with a warning triangle  indicate that usage restrictions may apply.

Emissions / Safety: Federal and many state laws prohibit the removal, modification, or rendering inoperative any part installed on motor vehicles by Indian Motorcycle® affecting emissions or safety on motor vehicles manufactured for use on a public street or highway. Violation may result in fines.

Noise: Certain Indian Motorcycle® performance parts are subject to noise-related usage restrictions. The warning statement for these parts includes the statement, "Non-competition street use may violate federal noise limits." These products are designed for use on closed course competition motorcycles only and do not conform to U.S. EPA noise emission standards. Use on motorcycles subject to EPA noise regulations constitutes tampering and is a violation of Federal law unless it can be shown that such use does not cause the motorcycle to exceed applicable Federal Standards.
