ROGUE COLLECTION

You already have the motorcycle that will turn heads. You value craftsmanship with a premium finish. Let Indian Motorcycle Authentic Accessories bring your Indian Challenger to the next level by adding items from our Rogue Collection. Featuring premium matte and gloss black finishes with style and sound that will make your spot at the head of the pack uncompromised.
This Mid Rise Handlebar infuses your bike with attitude and aggressive custom style. It also provides you with a comfortable reach to the handgrips and controls, letting you stretch your arms and enjoy long-riding comfort. The gloss black finish makes it an ideal choice for a bike with blacked-out components. Dealer installation recommended.

STAGE 1 OVAL SLIP-ON MUFFLER KIT
This Stage 1 Oval Slip-On Muffler Kit combines innovative construction techniques with advanced engineering to infuse your bike with custom style and deliver superior, throaty exhaust notes. The body of the muffler is hydro-formed into a complex geometry that gives your muffler a unique, appealing look. The mugger tip is cast into a distinctive oval shape that stands out sleekly on the muffler. The rich sound and distinct style make it a sure of reveal, must have muffler kit.

2884187-266, Black $999.99

POWERPLUS STAGE 1 AIR INTAKE
This PowerPlus Stage 1 Air Intake offers custom style to your bike and a deeper intake sound that complements the rich and throaty exhaust note that comes from the Stage 1 Oval Slip-On Muffler Kit (2884187-266), sold separately. The PowerPlus Stage 1 Air Intake is approved for use in California. California certification available early 2020.

2884461-266, Black (50 state) $399.99
2883737-266, Black (49 state) $399.99

This kit meets EPA and CARB emission limits. Non-competition street use may violate federal noise limits. Please see inside back cover for further information.

This kit meets EPA emission limits. Not legal for sale or use on non-competition pollution controlled vehicles in California. Temporarily with emissionStage 1 Air Intake can be equipped with accessories such as Highway Highway Pegs, sold separately, for enhanced styling and comfort and also provide protection in the event of a stationary tip over as they make initial contact with the ground and help protect bodywork and other surfaces. Chrome comes standard on Indian Challenger Limited.

2884177-266, Gloss Black $409.99

2884461-266

STAGE I SLIP-ON MUFFLER KIT

This Stage 1 Slip On Muffler Kit combines innovative construction techniques with advanced engineering to allow your bike to perform at its best. It is designed with stainless steel baffles and a freeflowing, high-quality exhaust note. The exhaust system modifies the shape and size of the muffler for maximum power output, providing a smooth, powerful note. The muffler tip is a distinctive oval shape that’s used exclusively on this model.

2884275-156 Chrome $999.99
2884275-266 Black $999.99

STRAIGHT EXHAUST TIPS

Machined billet aluminum with the largest inner-diameter giving these straight tips the most powerful sound. Requires Stage 1 Exhaust (2879769-156, -266), sold separately.

2880671-156 Chrome $259.99
2880671-266 Matte Black $259.99

POWERPLUS STAGE 1 AIR INTAKE

This PowerPlus Stage 1 Air Intake adds custom style to your bike and a deeper intake sound. This component complements the oil-cooled, lighweight exhaust note that comes from the Stage 1 Slip On Muffler Kit (2884275-156, -266), sold separately. The filter media also provides airflow through the intake to the air filter. This helps to reduce intake noise and increase performance.

2884451-266 Black (266) $299.99
2880357-266 Black (266) $299.99

SIX SHOOTER EXHAUST TIPS

LIGHTING & ELECTRICAL

PUDDLE LIGHT
This Puddle Light mimics the classic style of custom lighting to give off a cool, clean, tubular glow and projects light on the ground adjacent to your bike so you can determine if you are in a suitable parking place. It helps you see if the ground is too sandy, rocky, or wet with puddles for parking.

2884436 $99.99

PENNACLE MIRRORS
These mirrors feature a dynamic, laterally tapered design and have Indian Motorcycle script branding on the backsides. They are supported by forged arms for added strength and style. These mirrors directly replace the standard mirrors and provide outstanding visibility. Includes left and right-hand mirrors.

2880132-156 Chrome $154.99

RIDE COMMAND NAVIGATION & CELLULAR MODEM UPGRADE
Kit includes turn-by-turn navigation software and a cellular modem that will allow you to access traffic updates and live weather radar.

WHAT YOU NEED TO ADD
POWERBAND AUDIO
FOLLOW THE GUIDE BELOW TO CHOOSE THE POWERBAND AUDIO SYSTEM THAT FITS YOUR RIDING STYLE.

POWERBAND AUDIO 6 ½ IN. AMPLIFIED FAIRING SPEAKER KIT
This Powerband Audio 6 ½ In. Amplified Speaker Kit replaces the standard speakers on your bike. It provides an immediate and significant increase in audio system baseline. Your Indian Motorcycle Ride Command distributed audio system automatically recognizes when you have installed three speakers and increases audio power supply voltage output by over 50%, allowing the Ride Command speaker kit to maintain performance for greater sound control, and at a reduced audio control option. Loudspeaker wattage increases to maintain high-frequency requirements for a clearer, richer sound. This integrated and technology-driven industry leading value, as no enhancement换来的是在不同音量下提供更清晰的声音。

POWERBAND AUDIO 6 ½ IN. AMPLIFIED SADDLEBAG SPEAKER KIT
Upgrade your audio to Powerband Audio Plus when you add the 6 ½ In. Amplified Speaker Kit (2884330). This requires separate sound source and may be used with any audio system with a speaker system. This speaker system provides an even greater sound control, and at a lower cost replacement.

POWERBAND AUDIO SADDLEBAG INSTALLATION KIT
Accommodates installation of Powerband Audio 6 ½ In. Amplified Speaker Kit in saddlebag. Kit includes necessary harnesses.

POWERBAND AUDIO SADDLEBAG SPEAKER BEZELS
Add a clean, finished look to your Powerband Audio 6 ½ In. Amplified Speaker Kit with these bezels. They host Powerband Audio 6 ½ In. Amplified Speakers in saddlebag lids. Kit includes all necessary harnesses. These lids replace standard saddlebag lids and manufactured. Installs easily and fits perfectly. See below for color options.

POWERBAND AUDIO SADDLEBAG SPEAKER LIDS
Incorporate the same precision and manufactured. Installs easily and fits perfectly. See below for color options.

POWERBAND AUDIO ALL-WEATHER COVER
Protect your Indian Challenger with this durable, water-resistant travel cover that is custom-fit for your motorcycle. This cover fits easily over your Indian Motorcycle and provides coverage from the top of the windshield to the end of the seat. This cover protects your bike from the elements, ensuring that it’s clean and dry when it’s time to ride.

POWERBAND AUDIO ALL-WEATHER COVER* 
Protect your Indian Challenger with this durable, water-resistant travel cover that is custom-fit for your motorcycle. This cover fits easily over your Indian Motorcycle and provides complete coverage from the top of the windshield to the bottom of the seat. This cover protects your bike from the elements, ensuring that it’s clean and dry when it’s time to ride.

INDIAN CHALLENGER DUST COVER
Keep your bike looking great between rides and during off-season storage with this Dust Cover. This cover features a soft tricot polyester fabric that’s kind to your paint and bonded stitching for a great fit and long-term durability.

*Some water-resistant polyester covers are engineered for outdoor storage. Indian Motorcycle makes no claims that this cover will protect your motorcycle in the event of a severe weather event.

2868932 S-3XL $69.99

FULL DETAILS AT WWW.INDIANMOTORCYCLE.COM/ACCESSORIES
Indian Motorcycle invests millions in engine development, and part of that investment is making sure its lubricants—critical to engine performance—are the right formula for your specific engine. The amount of testing data and engineering resources used in developing Indian Motorcycle lubricants would overwhelm any aftermarket company. Therefore, the aftermarket must produce an oil to an industry–wide standard that accounts for a variety of operating parameters.

**Indian Motorcycle Maintenance Schedule**

### Break-In Maintenance

- **2,500 MILES**
  - Engine Oil & Filter Change & Replace
