

SINCE 1901, INDIAN MOTORCYCLE HAS BEEN THE CHOICE OF RIDERS WHO MAKE THEIR OWN RULES

Indian Motorcycle believes there are many paths to finding your perfect ride. So we build a wide range of premium American V-twin motorcycles, equally inspiring to experienced riders and to those just entering the sport.

Our riders value a brand that is unique in motorcycling. The iconic design of our bikes combined with modern features enable them to stand above the crowd. As a brand who embraces a pioneering spirit in everything we do, we're proud to welcome any rider who shares the confidence to chart their own path.

INDIAN CHALLENGER

With modern, state-of-the-art technology and bold design, Indian Challenger redefines performance in an American V-twin. The PowerPlus liquid-cooled V-twin engine dominates with a class-leading 122 horsepower and 128 ft-lb of torque. A striking combination of American muscle, premium components and long-haul comfort deliver a truly unmatched riding experience.

All Indian Challenger models feature a host of ride-enhancing amenities like full LED lighting, keyless ignition, remote-locking hard saddlebags, three distinct ride modes, cruise control and USB charging for effortlessly crushing miles. Indian Challenger lets riders experience firsthand what quality craftsmanship feels like in a thoroughly modern motorcycle whose class-leading performance makes no compromises on style or comfort.

POWERPLUS V-TWIN ENGINE

Beautifully crafted and detailed, our biggest liquid-cooled engine packs a best-in-class 122 horsepower and 128 ft-lb of torque for smooth, exhilarating power.

PREMIUM COMPONENTS

Inverted front suspension, race-spec radially-mounted Brembo® brakes provide superior stopping power, while performance touring Metzeler® Cruisetec® tires offer supreme traction.

UNMATCHED INFOTAINMENT

The miles fly by thanks to RIDE COMMAND with customizable color touchscreen, live traffic and weather overlays and Apple CarPlay® integration. Standard on Indian Challenger Dark Horse and Indian Challenger Limited.

REMOTE-LOCKING HARD SADDLEBAGS

Waterproof saddlebags protect against the elements and with over 19 gallons of storage, give you all the space you need to extend trips. Standard on all Indian Challenger models. Shown with accessories.

INDIAN CHALLENGER DARK HORSE
Designed for riders who make no compromises and want the next level in performance. State-of-the-art Smart Lean Technology includes dynamic traction control, ABS with cornering control and drag torque control to enhance safety by tuning the performance based on the motorcycle's lean angle. Standard on Indian Challenger Dark Horse and Indian Challenger Limited. Shown in Bronze Smoke.
