

SINCE 1901, INDIAN MOTORCYCLE HAS BEEN THE CHOICE OF RIDERS WHO MAKE THEIR OWN RULES

Indian Motorcycle believes there are many paths to finding your perfect ride. So we build a wide range of premium American V-twin motorcycles, equally inspiring to experienced riders and to those just entering the sport.

Our riders value a brand that is unique in motorcycling. The iconic design of our bikes combined with modern features enable them to stand above the crowd. As a brand who embraces a pioneering spirit in everything we do, we're proud to welcome any rider who shares the confidence to chart their own path.

INDIAN CHIEFTAIN

Designed for experienced riders who appreciate a thoroughly modern and capable motorcycle, Chieftain provides a classic American air-cooled V-twin riding experience. The incredibly smooth Thunderstroke engine delivers massive low-end torque for instant acceleration. Three distinct ride modes tailor the power further to your needs and rear cylinder deactivation improves comfort and fuel economy.

Chieftain raises the bar with modern and mean styling. Front to back the design is confident, showcasing premium finishes that get noticed. But Chieftain is more than just style, as a fork-mounted fairing, hard luggage, audio and infotainment come standard. Nimble handling impresses thanks to a cast aluminum frame, low seat height and ergonomically-designed controls. Plus ride-enhancing technology and modern amenities provide the ultimate in function mile after mile. Chieftain lets you experience firsthand what quality craftsmanship feels like in a bike that makes no excuses.

CHIEFTAIN

Streamlined fork-mounted fairing and slammed saddlebags perfectly frame the legendary Thunderstroke 111 engine and command attention. Keyless ignition, locking saddlebags, cruise control and USB charging port come standard. Shown in Thunder Black.

CHIEFTAIN DARK HORSE

Premium blacked out finishes front-to-back and open front fender with 19-inch 10-spoke contrast cut front wheel create a striking profile that delivers an unmistakable presence on the road. A massive 126 ft-lb of torque is on tap with the Thunderstroke 116 engine. Shown in Titanium Smoke.

CHIEFTAIN LIMITED

The perfect balance of premium finishes – sparkling chrome, rich gloss blacks and precisely machined surfaces – highlight American craftsmanship and an attention to detail that sets Chieftain Limited apart. Shown in Thunder Black Pearl.

FORK-MOUNTED FAIRING

Modern and mean fairing design provides style and function. Push-button power windshield available on all models further dials wind protection to rider needs. Chieftain Limited shown in Radar Blue.
