

I WOULD LIKE TO JOIN IMRG OR RENEW MY IMRG MEMBERSHIP, HOW CAN I DO THAT?

If you are interested in an IMRG membership, we recommend that you contact your local dealership and get in touch with the local chapter president. They may or may not charge dues for becoming a member.

If you are interested in renewing your IMRG membership, you should contact your local IMRG chapter. They will track your local membership with them in terms of dues and member expiration. There is no longer a national IMRG renewal process (as it is now free).

WHERE IS THE NEAREST IMRG CHAPTER?

Look up the chapters in your state with our IMRG chapter location page here - <https://www.indianmotorcycle.com/en-us/riders-group/chapters/>

WHERE CAN I FIND IMRG PATCHES?

They are now available on the Indian Motorcycle website as part of our Owners Collection. Link owners collection to here - <https://www.indianmotorcycle.com/en-us/shop/apparel/owners-collection/>

You will need to sign up for Indian Motorcycle Riders or Indian Motorcycle Riders Elite Status in order to view the items on the page. Please visit the Indian Motorcycle Account page for information on how to sign up. <https://www.indianmotorcycle.com/en-us/account/>

IS THE IMRGMEMBER.COM WEBSITE DOWN

The IMRGMember.com site was shut down in July 2020 and it will not be returning as we shift towards new technologies and ways to connect the IMRG community.

I'M NOT AN IMRG MEMBER, BUT I'M INTERESTED IN AN IMRG EVENT NEAR ME. WHAT DO I DO?

You should contact your local IMRG chapter or local Indian Motorcycle dealer <https://www.indianmotorcycle.com/en-us/riders-group/chapters/>. IMRG chapters allow for any make and models of motorcycles to join. Most IMRG chapters let you ride a time or two before becoming a member of their local chapter. Talk to your local dealership to get in touch with the chapter president. Most IMRG chapters have Facebook pages that you can join to stay up to date on rides and events. You are also invited to participate in any Indian Motorcycle event we may have at a large rally, like Daytona or Sturgis.

HOW DO I START AN IMRG CHAPTER?

First, talk with your local Indian Motorcycle dealership and see if they are interested in sponsoring an IMRG Chapter. Next, find two (2) other volunteers that want to be officers and start the riding chapter with you. Finally, reach out to the IMRG inbox to start the official process - IMRG@indianmotorcycle.com.
