- Install the winch to the winch mount plate and winch plate support and tighten all hardware at this time. Go to Roller Hawse Instructions on page 7.

ROLLER HAWSE MOUNTING INSTRUCTIONS:

Remove one of the long rollers and the two side rollers and feed the winch cable through the roller hawse. Reinstall the rollers and be sure rollers move freely.

Attach the roller hawse to the winch mount plate using the bolts and nuts provided with the winch. Go to next instruction.

2. Instructions for optional switch mounting are on next page.
3. Re-install plastic bumper.

See winch instructions supplied with the winch for proper wiring installation.

One Year Limited Warranty

For the period of one (1) year from the purchase date, Cycle Country (a Kolpin Powersports Brand) will replace for the original purchaser, free of charge, any part or parts found upon examination by Cycle Country to be defective in material, workmanship, or both.

All transportation costs incurred submitting product to Cycle Country for warranty consideration must be borne by the purchaser. If Cycle Country determines that the product must be returned to the factory for credit, please call 1-800-841-2222 for a Return Merchandise Authorization (RMA) number and shipping instructions.

This warranty does not apply to parts that have been damaged by accident, alteration, abuse, improper maintenance, normal wear, or other causes beyond the manufacturer's control. In order to protect you and your ATV, certain parts of the plow system and/or hardware are designed to fail when the equipment is over-stressed.

Peripheral products such as engines, electric motors, and actuators may carry an original manufacturer's warranty. Please call Cycle Country for more information.
