

MISSION CONFIGURATION

Modular Options for Mission Versatility

TACTICAL ADDITIONS

A	RECTANGULAR SIDE MIRRORS Mounts directly to factory roll cage.	2881622
B	REAR VIEW MIRROR Wide rear view mirror that mounts to the factory roll cage for a clean installation.	2881070
C	RAM UNIVERSAL DEVICE HOLDER The universal holder is designed to hold a variety of cell phones or electronic devices. A flexible mounting system allows it to be placed on various parts of the vehicle, including the roll cage.	2879596
D	HALF WINDSHIELD The half windshield helps direct wind and dust away from the occupants seated inside the cab, and can be installed or removed quickly without tools.	2880525
E	HI/LO/OFF IR LIGHT Adventure lights stealth illuminator light is compact, robust, flexible, and waterproof. This light provides the option to have the light set to high, low, or off.	2414298 Dagor A1 4011504 MY15 Dagor
F	ANTENNA MOUNT (NOT PICTURED) This antenna platform can be mounted to various parts of the roll cage with two fast clamps, and the flat surface allows for mounting of a wide variety of antennas.	2883421
H	HEAVY DUTY BIMINI ROOF The heavy duty soft top (bimini top) is designed to work with or without a weapons turret ring installed. Made of heavy duty double layer canvas, the soft top is an effective way to protect seated occupants from the elements.	2881175
I	TURN SIGNALS Easy to use, easy to see turn signals are mounted on all 4 corners of the vehicle for increased visibility.	2883813 Dagor A1 2880529 MY15 Dagor
J	HI IDLE - STATIONARY AUXILIARY POWER (NOT PICTURED) Consistently increase auxiliary power in stationary situations with high idle capability. This increases idle speed, making 120 Amps of 24 Volt power available.	2883428

TOWING & RECOVERY

K	MULTI-MOUNT WINCH This durable 10,000 lb rated Warn Winch® can be mounted on the front or rear of the vehicle, and includes a fairlead cradle and pin for the 2" receiver. The winch line is 3/8" x 100'. DAGOR A1 winch operates on a 24V system.	2884980 (24V, DAGOR A1) 2884981 (12V, MY2015 DAGOR)
L	AR2M KINETIC RECOVERY LINE (NOT PICTURED) This extremely effective recovery rope is used during vehicle extraction. It stretches and absorbs a massive amount of energy from the vehicle that is pulling. This kinetic energy is then transferred to the stuck vehicle, resulting in vehicle recovery. The rope is 3/4" x 30' AR2M kinetic nylon rated at 16,000 lb. capacity.	2880978
M	DROP PINTLE HITCH KIT Tow with this height adjustable pintle hitch which includes the pintle mount, hardware kit, and pintle hook.	2881029
N	HEAVY DUTY PINTLE HITCH KIT For heavier towing loads, this heavy duty pintle hitch provides 10,000 lb capacity for 2" receivers. The kit includes pintle hook, clip, and pin.	2880976
O	NATO SLAVE START Quickly re-start a disabled vehicle with the NATO vehicle to vehicle slave start system. Once installed, it can be used to re-start DAGOR or another vehicle that has the universal system.	2883815
P	GRAB HANDLE STRAP Attach these versatile handles to any point on roll cage for passengers to grab.	2858185

CARGO & STORAGE

Q	FUEL/WATER CAN HOLDERS Hold standard fuel and water cans in the cargo bed with these convenient holders that can be quickly mounted to several locations on the aircraft rails for modularity. Aircraft rails are required accessories and are sold separately (2883807 cargo box rails).	2883810 Single Can 2883811 Double Can
R	GATE NET FROM BEDNET® Keep cargo contained in the cargo bed with this lightweight tailgate option made with durable polyester webbing from Bednet®. Install or remove quickly with 4 easy-to-use clips that snap into place.	2880821
S	TAILGATE KIT Secure cargo in the cargo bed, or drop the tailgate down for additional space with this heavy duty bolt-on tailgate (500 lb capacity when locked in down position). The DAGOR A1 tailgate kit is designed to accept aircraft rails. Aircraft rails are optional accessories and are sold separately (2883808 DAGOR A1 tailgate rails).	2883308
T	ON-VEHICLE STORAGE BAG Store and protect supplies or equipment from the elements with this 600D UV coated poly bag with a water-resistant backer. Attaches to the vehicle with straps and clips so it can be mounted in numerous locations.	2204782
U	RUCKSACK MOUNT KIT Conveniently hold six fully-loaded rucksacks on the outside of the vehicle and preserves space inside the vehicle. The rucksack holder can be swung open for fueling, equipment access and also allows the width of vehicle to be reduced to nominal without removing rucksacks from the secured position. The kit also includes ratchet straps and tie off loops to keep rucksacks secure. Cannot be used with the RF antenna mount option or spare tire holder.	2880979
V	CARGO NET FROM BEDNET® Secure loads quickly and effectively with this durable cargo net from Bednet®. Constructed of polyester webbing, coated steel hooks and nylon buckles, these nets are also easy to use with four adjustable straps integrated into the net.	2880822 32"x43" 2881033 24"x33"
W	SPARE TIRE HOLDER Versatile design allows for storage of spare tire assembly on the exterior or interior of the vehicle at a moment's notice. Cannot be used with rucksack mount kit.	2880559
X	REAR STORAGE BOX KIT Add sealed storage without taking up space in the cargo bed area. Neatly tucked underneath the rear wheel wells, each box offers 41,000 cu cm of sealed and waterproof storage. Kit contains 2 boxes; one for each rear wheel well.	2881071-686
Y	ATS MOLLE SEATBACK PANEL Attach items to the MOLLE surface that attaches to the front seat backs to conveniently store items in the cab.	2687231
Z	ATS LARGE MOLLE POUCH Store items in this zippered MOLLE pouch, compatible with other MOLLE capable surfaces.	2687230
AA	ATS NALGENE BOTTLE POUCH Hold nalgene bottles and similar objects with this pouch that can be attached to the dash panel or ROPS.	2687229
BB	ATS MOLLE DASH PANEL Attach items to the MOLLE surface that secures firmly to the front passenger dash to conveniently store items in the cab.	2687232

MAINTENANCE & SUSTAINMENT

CC	ARB HI-PERF COMPRESSOR The highest flowing portable compressor for its size on the market, features a compact twin motor dual cylinder design. DAGOR A1 compressor mounts neatly inside the rear storage box kit for safe keeping and easy access. The rear storage box kit is a required accessory and is sold separately (2881071 rear storage box kit).	2883474
DD	CLAMP-ON FIRE EXTINGUISHER Additional ABC fire extinguisher that can be mounted to the roll cage in various spots. (QTY 1 comes standard with base vehicle)	2880526
EE	JACK WITH TAILGATE MOUNT Use this heavy duty jack when the situation calls for it. Sized specifically for DAGOR it is a 60" Hi-Lift(R) jack and mounts conveniently to the tailgate.	2881028
FF	FULL TOOL KIT Contact Polaris for kit contents.	2880518
GG	STANDARD SPARE TIRE ASSEMBLY 33" BFG wheel and tire assembly for DAGOR.	1525207-686
HH	BLOCK HEATER KIT The 120V/400W block heater kit is for extreme cold weather starting. It installs into the existing engine block plug and can be secured to chassis if permanent installation is desired.	2880984
