

POLARIS
DAGOR **MISSION CONFIGURATION**
MODULAR OPTIONS FOR MISSION VERSATILITY

TACTICAL ADDITIONS

A	RECTANGULAR SIDE MIRRORS	
2881622	Mounts directly to factory roll cage.	
B	REAR VIEW MIRROR	
2881070	Wide rear view mirror that mounts to the factory roll cage for a clean installation.	
C	RAM UNIVERSAL DEVICE HOLDER	
2879596	The universal holder is designed to hold a large amount of cell phones and electronic devices. A flexible mounting system allows it to be placed on various parts of the vehicle, including the roll cage.	
D	HALF WINDSHIELD	
2880525	The half windshield helps direct wind and dust away from the occupants seated inside the cab, and can be installed or removed quickly w/o tools.	
E	HI/LO/OFF IR LIGHT	
2414298 [DAGOR A1]	Adventure lights stealth illuminator light is compact, robust, flexible, and waterproof.	
4011504 [MY15 DAGOR]	This light provides the option to have the light set to high low, or off.	
F	UNIVERSAL ANTENNA MAG MOUNT	
2879482	This antenna platform can be mounted to various parts of the roll cage, and the flat surface allows for mounting of a wide variety of antennas.	
G	RF ANTENNA MOUNT	
2883806	This antenna platform is designed to adapt a pair of Harris RF-292 Universal Antenna Mounts to the rear corners of the vehicle. These mounts cannot be used with the rucksack mount kit option. The kit comes with mounts for both of the rear corners of the vehicles.	
H	HEAVY DUTY BIMINI ROOF	
2881175	The heavy duty soft top (bimini top) is designed to work with or without a weapons turret ring installed. Made of heavy duty double layer canvas, the soft top is an effective way to protect seated occupants from the elements.	
I	TURN SIGNALS	
2883813 [DAGOR A1]	Easy to use, easy to see turn signals are mounted on all 4 corners of the vehicle for increased visibility.	
2880529 [MY15 DAGOR]		
J	HI IDLE - STATIONARY AUXILIARY POWER	
2883428	Consistently increase auxiliary power in stationary situations with high idle capability. This increases idle speed, making 120 Amps of 24 Volt power available.

MOBILITY MADE EASY®

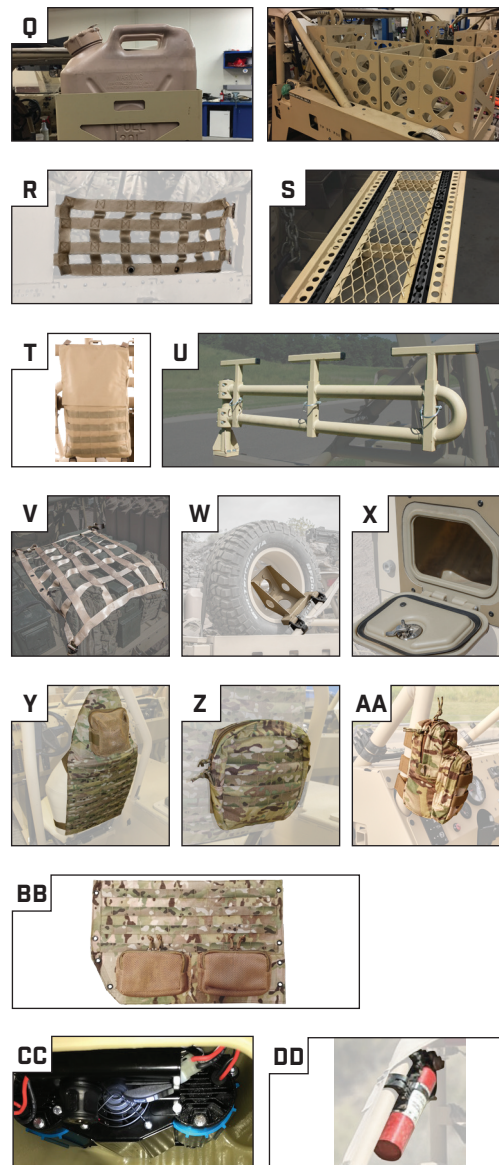

A U.S. COMPANY

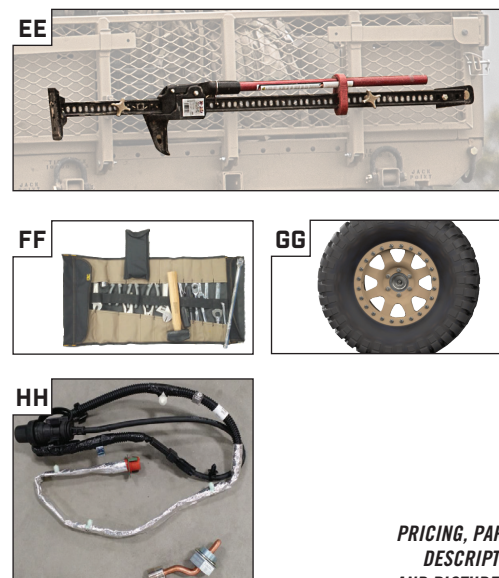

CARGO & STORAGE

Q FUEL/WATER CAN HOLDERS	
2883810 (SINGLE CAN HOLDER) 2883811 (DOUBLE CAN HOLDER)	Hold standard fuel and water cans in the cargo bed with these convenient holders that can be quickly mounted to several locations on the aircraft rails for modularity. Aircraft rails are required accessories and are sold separately (2883807 cargo box rails / 2883808 DAGOR A1 tailgate rails).
R GATE NET FROM BEDNET®	
2880821	Keep cargo contained in the cargo bed with this lightweight tailgate option made with durable polyester webbing from Bednet®. Install or remove quickly with 4 easy-to-use clips that snap into place.
S TAILGATE KIT	
2883308	Secure cargo in the cargo bed, or drop the tailgate down for additional space with this heavy duty bolt-on tailgate (500 lb capacity when locked in down position). The DAGOR A1 tailgate kit is designed to accept aircraft rails. Aircraft rails are optional accessories and are sold separately (2883808 DAGOR A1 tailgate rails).
T ON-VEHICLE STORAGE BAG	
2204782	Store and protect supplies or equipment from the elements with this 600D UV Coated Poly bag with a Water-Resistant backer. Attaches to the vehicle with straps and clips so it can be mounted in numerous locations.
U RUCKSACK MOUNT KIT	
2880979	Add the rucksack mount accessory kit to conveniently hold six fully-loaded rucksacks on the outside of the vehicle and preserve space inside the vehicle. The ruck sack holder can be swung open for fueling, equipment access and also allows the width of vehicle to be reduced to nominal without removing ruck sacks from the secured position. The kit also includes ratchet straps and tie off loops to keep ruck sacks secure. Cannot be used with the RF antenna mount option.
V CARGO NET FROM BEDNET®	
2880822 (32"X43") 2881033 (24"X33")	Secure loads quickly and effectively with this durable cargo net from Bednet®. Constructed of polyester webbing, coated steel hooks and nylon buckles, these nets are also easy to use with four adjustable straps integrated into the net.
W SPARE TIRE HOLDER	
2880559	Versatile design allows for storage of spare tire assembly on the exterior or interior of the vehicle at a moment's notice.
X REAR STORAGE BOX KIT	
2881071	Add sealed storage without taking up space in the cargo bed area. Neatly tucked underneath the rear wheel wells, each box offers 41,000 cu cm of sealed and waterproof storage. Kit contains 2 boxes; one for each rear wheel well.
Y ATS MOLLE SEATBACK PANEL	
2687231	Attach items to the MOLLE surface that attaches to the front seat backs to conveniently store items in the cab.
Z ATS LARGE MOLLE POUCH	
2687230	Store items in this zippered MOLLE pouch, compatible with other MOLLE capable surfaces.
AA ATS NALGENE BOTTLE POUCH	
2687229	Hold nalgene bottles and similar objects with this pouch that can be attached to the dash panel or ROPS.
BB ATS MOLLE DASH PANEL	
2687232	Attach items to the MOLLE surface that secures firmly to the front passenger dash to conveniently store items in the cab.

MAINTENANCE & SUSTAINMENT

CC ARB HI-PERF COMPRESSOR	
2883474	The highest flowing portable compressor for its size on the market, features a compact twin motor dual cylinder design. DAGOR A1 compressor mounts neatly inside the rear storage box kit for safe keeping and easy access. The rear storage box kit is a required accessory and is sold separately (2881071 rear storage box kit).
DD CLAMP-ON FIRE EXTINGUISHER	
2880526	Additional ABC fire extinguisher that can be mounted to the roll cage in various spots. (QTY 1 comes standard with base vehicle)
EE JACK WITH TAILGATE MOUNT	
2881028	Use this heavy duty jack when the situation calls for it. Sized specifically for DAGOR it is a 60" Hi-Lift(R) jack and mounts conveniently to the tailgate.
FF FULL TOOL KIT	
2880518	Contact Polaris for kit contents
GG STANDARD SPARE TIRE ASSEMBLY	
1523164-686	33" BFG wheel and tire assembly for DAGOR.
HH BLOCK HEATER KIT	
2880984	The 120V/400W Block heater kit is for extreme cold weather starting. It installs into the existing engine block plug and can be secured to chassis if permanent installation is desired.
