

## TESTED. PROVEN. FIELDED.

A Light Tactical Vehicle with Exceptional Mobility

### VERSATILE

Made for mission versatility, DAGOR can carry up to 9 soldiers and their gear. The open design provides maximum loading space and flexibility.

### TRANSPORTABLE

DAGOR is proven and certified for rapid air transport—no matter if that's via sling load, air drop or internal air transport.

### SUSTAINABLE

Designed to be easy to operate and engineered for ease of maintenance, tool-less access to routine service points are readily available.

**TOUGH TACTICS NEED TOUGH VEHICLES**

**9**

PERSON CAPACITY

**4,000 LB**

PAYLOAD CAPACITY

**500**

MILE RANGE

<b>ENGINE</b>	Turbo Diesel/JP8 Engine
<b>GVW</b>	8,500 LB / 3,856 KG
<b>PAYLOAD</b>	4,000 LB / 1,814 KG (Maintains Full Performance)
<b>RANGE</b>	500 MI / 805 KM @ GVW (Dependent On Mission Profile)
<b>INTERNAL ROTARY WING TRANSPORTABLE</b>	H-47 (UP TO 2), H-53
<b>SLING LOADABLE</b>	YES - H-47, H-53, UH-60
