ATTACK THE TERRAIN

Sidewalls can be a vulnerable area of any off-road tire. Rocks jump out at your machine and tear into sidewalls. Thanks to the 3rd belt that's wrapped all the way down to the bead, you receive reinforced protection in this critical area, Pro Armor® resists when others fail.

BACKED BY

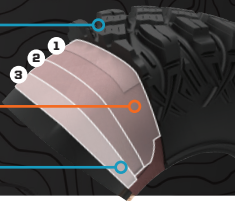

WARRANTY

3,000 Mile Rated

Triple-Belted Sidewalls

8-10 Ply Rating

DUAL-COMPOUND = MORE GRIP + LONGER LIFE

Firmer Durometer Rubber = Longer Life
Softer Durometer Rubber = More Grip

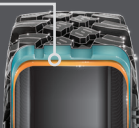

SINGLE DUROMETER

- Smaller lug height and single durometer give this high-speed tire added rigidity and lateral stability when cornering
- Unique lug design excels in hard-packed, fast terrain

DUAL-DUROMETER

- Taller lug height and dual-durometer construction
- Perfect balance between high-speed performance, durability and flex in order to grip slick rock
