Polaris Contact: Amy Warren

US/Canada Offer (ENGLISH)

How it Works: During the “Instant Win” promotion period (November 19th, 2021 – December 21st, 2021), consumers can enter online at Polaris.com to complete and submit the online email sign-up form, which requires a first and last name, zip code, and valid email address. After completion of the email sign-up form, consumers will be able to activate the Instant Win Scratch-Off game to instantly determine their Instant win cash amount, subject to validation and compliance with the promotion rules below. Consumers will then receive an email with an electronic discount code valued between \$5 to \$100 based on the approximate distribution odds below. If the Instant Win coupon email is not received soon after submission, consumers may need to check their spam folder. Once submitted, entries become the property of Polaris Industries Inc., and will not be acknowledged or returned.

Limit: One (1) entry and electronic discount code per person during the promotion period. Any attempt by any entrant to obtain more than one electronic discount code by using multiple/different email addresses, identities, registrations, and logins, or any other methods will void the promotional cash amount(s) and prevent them from participating in the promotion.
