TOOLS REQUIRED

- None

IMPORTANT

Your Youth ATV Rear Rack Storage Bag Kit is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

ASSEMBLY TIME

Approximately 6 minutes

INSTALLATION INSTRUCTIONS

CAUTION

DO NOT carry sharp or pointed objects inside the bag.
Failure to comply may cause structural damage to the bag and related components.

1. Place the storage bag onto the rear rack with the buckles facing the front of the vehicle and route the loose end of the straps under the rack as shown.

2. Route the attachment straps under the rear rack support tube to the front of the rack as shown.

3. Secure the bag onto the rear rack using the quick release buckles on each side of the bag as shown.

4. Ensure bag is fully secured and all steps have been completed.

FEEDBACK FORM

A feedback form has been created for the installer to provide any comments, questions or concerns about the installation instructions. The form is viewable on mobile devices by scanning the QR code or by clicking [HERE](#) if viewing on a PC.
