	1	Instructions	9928666

TOOLS REQUIRED

- Safety Glasses
- Screwdriver Set, Torx®

IMPORTANT

Your Roof Liner Kit is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

ASSEMBLY TIME

Approximately 15 minutes

NOTE

Additional time may be required to accommodate other accessories.

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn ignition switch to "OFF" position and remove key.
2. OPTIONAL: If installing interior light and/or rear speakers (accessories sold separately), then modify mid liner ② and/or rear liner ① as follows:
 - Light: Cut oval or rectangular opening ① (as required) to accommodate light. Install light and electrical harness per instructions included with accessory.
 - Speakers: Cut circular openings ② (as required) and open associated fastener holes. Install speakers and electrical harness per instructions included with accessory.
3. Loosely install front liner ③ to ROPS visor using two screws ⑦.

4. If installing optional light, then refer to instructions included with light. Otherwise, loosely install two each screws ④ and washers ⑤ through mid liner ② into roof panel.

5. Install mid liner ② to front liner ③ and ROPS visor using five push darts ⑥.
6. Install four clip nuts ⑩ to standoffs in rear roof panel. Ensure proper orientation: Threaded portion of clip nut is located INSIDE standoff.

7. Insert rear edges ③ of rear liner ① into roof support channel ⑩, then tip liner up, inserting LH and RH sides of liner between ROPS and roof seal.

8. If installing optional light, then refer to instructions included with light. Otherwise, loosely install two each screws ④ and washers ⑤ through rear liner ① into roof.

9. Secure rear liner ② by loosely installing three screws ⑦, four screws ⑪, and two push darts ⑥.
10. Tighten all liner screws ④, ⑦, and ⑪. Do not overtighten screws.
11. Decal application.

IMPORTANT

Decals required per ANSI/ROHVA standards.

MY18 and newer *RANGER XP® 1000*

Apply payload decal ⑧ and general use decal ⑨ to front liner ③ as shown.

MY19 and older *RANGER XP® 900*

All required decals are applied to vehicle from factory. Decals ⑧ and ⑨ are not used.

12. If installing optional rear speakers, then refer to instructions included with speakers.

FEEDBACK FORM

A feedback form has been created for the installer to provide any comments, questions or concerns about the installation instructions. The form is viewable on mobile devices by scanning the QR code or by clicking [HERE](#) if viewing on a PC.
