

INTERIOR ACCENT TRIM KIT

P/N 2884789-XXX

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference and parts ordering information.

DISCLAIMER ACCESSORY WEIGHT

When adding accessories, equipment, passengers and luggage to your vehicle, do not exceed the total weight capacity of the vehicle or of the front or rear axle (GVWR or GAWR as indicated on the Safety Compliance Certification label). Ask an authorized dealer for specific weight information if you need assistance. It is the owner's responsibility to use the Polaris Slingshot Accessories website as a tool for limiting the amount of accessories, based on maximum allowable vehicle weight requirements. It may be a violation of the Clean Air Act or the NHTSA regulations to disregard these requirements. For a complete listing of the accessories that are available for your vehicle, please contact your authorized dealer or visit the online store web site: Web Address (United States): <http://www.polaris.com/en-us/slingshot/shop/accessories>.

APPLICATION

Verify accessory fitment at www.polarisslingshot.com.

IMPORTANT

Your Interior Accent Trim Kit is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

VEHICLE PREPARATION

GENERAL

1. Park vehicle on a flat surface.
2. Shift vehicle to NEUTRAL.
3. Press START/STOP button to turn vehicle OFF.
4. Remove key fob from proximity of vehicle.

OPEN HOOD

WARNING

Do not grab plastic directly above the hood release lever to open the hood. This may damage the hood.

1. Make sure parking brake is applied.
2. Pull hood release lever upward to disengage four hood latches.

3. Pull upwards on hood underside, above LED lamp, using two hands.

4. Pull hood upward and forward, rotating hood to a vertical position.

REMOVE MIRRORS

1. Remove and keep two mirror mounting screws.

2. Remove and carefully set aside mirror assembly.
3. Repeat for opposite side mirror.

REMOVE WINDSHIELD

NOTICE

Windshields vary in size and shape but all mount to the same mounting points.

1. Remove and keep three fasteners (A) from base of windshield (B).

2. If equipped, remove and keep screw, washer and O-ring from center windshield mount.

3. Remove windshield and carefully set aside.

REMOVE UPPER DASH

REMOVE UPPER DASH PAINTED PANELS (IF EQUIPPED)

1. Remove and keep upper dash painted panels by lifting from front edges to release clips.

REMOVE SIDE TRIM PANELS

NOTICE

Left side shown; right side similar.

1. Remove and keep two screws (A) and two push-pin rivets (B) from side trim panel (C).

2. Remove side trim panel (C) and carefully set aside.

REMOVE UPPER DASH PANEL

1. Remove and keep eight screws (A) from upper dash panel.

2. If equipped, disconnect dash tweeter speakers from main vehicle harness.

3. Lift front edge of upper dash panel to release clips. Lift off upper dash panel and carefully set aside.

ACCESSORY INSTALLATION

REMOVE CONSOLE TRIM

1. Remove and keep two push pin rivets (A) from upper center console.

2. Carefully disengage two trim mounting tabs by lifting up on both sides of console trim **B**.

3. Move console trim **B** up and rearward to remove.

INSTALL CONSOLE ACCENT TRIM

1. Insert mounting tabs on each side of console trim **1** into holes on center console.

2. Move console accent trim **1** forward and down to attach to center console.

- Attach console trim ① to upper center console using two push pin rivets ②.

VEHICLE REASSEMBLY

INSTALL UPPER DASH

INSTALL UPPER DASH PANEL

- If equipped, connect dash tweeter speakers to main vehicle harness.
- Set upper dash panel in place and loosely install eight retained screws ① and ②.

- Torque eight screws to specification.

NOTICE

Inner and outer fasteners have different torque specifications.

TORQUE

Inner Upper Dash Panel Screws ①:
