IMPORTANT

Your SPORT RACK BAG KIT is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

ASSEMBLY TIME

Approximately 5 minutes

INSTALLATION INSTRUCTIONS

1. Install bag bracket (A) using Tuflock® rivets (B).

2. Place pocket in bag over rack (C).

3. Insert Torx® head screws (E) from inside of bag through holes in front and thread through bag bracket until secure.
4. Insert plastic clips (D) from inside of bag through holes on underside of seat.

5. Insert Tuflock® rivet (B) in holes in rear of bag and fasten to rack.

NOTE

Leave zippers open when bag is not in use to allow moisture inside to escape.
