EXPERIENCE THE SLINGSHOT EFFECT

An open-air cockpit. An absurdly low profile. The thrill of three wheels. The Slingshot looks, sounds, and drives like nothing else on the road. Each one is as unique as its driver, serving as the ultimate platform for self-expression.

Leave the ordinary behind by getting behind the wheel and making your mark on the open road.

SERVICE PARTS

Slingshot Engineered service parts deliver unmatched performance and fit for your vehicle.

All service parts are developed and tested for your vehicle. Tires, belts, batteries, body panels, electrical components and decals are the same parts that are manufactured on the factory lines for each specific vehicle. This ensures it doesn't merely fit your vehicle – it outperforms your expectations!

SHOP FOR SERVICE PARTS ONLINE OR VISIT YOUR SLINGSHOT DEALER.

FIND SERVICE PARTS ONLINE

<p>STEP 1 Visit Slingshot.Polaris.com Click "Parts & Maintenance" tab</p>	<p>STEP 2 Enter vehicle year/model or shop by part number</p>	<p>STEP 3 Clearly see what parts are required and order.</p>

Julian DBA XKGLOW. Prices and availability are subject to change. The Polaris Slingshot Accessories website designates the accessories designed to fit a vehicle model/year. As a dealer, follow the website instructions to determine which accessories you can install on a specific vehicle. When adding accessories, equipment, passengers and luggage to a vehicle, do not exceed total weight capacity of the vehicle or of the front or rear axle (GVWR or GAWR as indicated on the Safety Compliance Certification Label). It is the dealer's responsibility to use the Polaris Slingshot Accessories website as a tool for limiting the amount of accessories, based on maximum allowable vehicle weight requirements. For a complete listing of the accessories that are available for your vehicle, please contact your authorized dealer or visit the online store web site: <https://slingshot.polaris.com>.

Slingshade: It may be a violation of the Clean Air Act or the NHTSA regulations to disregard these requirements. Due to the technical nature of this kit, Polaris insists that this installation be performed by a trained Slingshot technician. Always secure latches during operation. Failure to secure latches may result in unintended opening or release causing injury to others or damage to Slingshade. This top is not a safety device or roll cage. It is not intended to protect the occupants in the event of a rollover or other unforeseeable events. This top is not a roof and is not intended to haul cargo. NEVER attach, strap, or haul objects of any type or weight on this top. This top is not intended to contain or restrain the occupant or provide additional safety protection.

Slingshot is a three-wheeled motorcycle. It is not an automobile. It does not have airbags and it does not meet automotive safety standards. Three wheel vehicles may handle differently than other vehicles, especially in wet conditions. Always wear a DOT-approved full-face helmet and fasten seat belts. The driver may need a valid motorcycle endorsement. Drive within the limits of the law and your own abilities. Read, understand and follow your owner's manual. Never ride under the influence of drugs or alcohol. U.S. models shown with optional accessories. ©2021 Polaris Industries Inc.
