

SLINGSHOT

2026

FEEL THE DRIVE

In a world that demands practicality and purpose, Slingshot offers something rarer: the unapologetic freedom to feel. With its low stance and open-air cockpit, it's an invitation to connect with both the road and others to make the most of every moment.

**GET IN AND ENJOY THE OPEN ROAD IN A
RIDE THAT ENGAGES ALL YOUR SENSES.**

A DRIVE LIKE NO OTHER

Slingshot represents the ultimate expression of individuality and brings an element of fun and excitement every time you get behind the wheel.

EXPERIENCE

An open-air cockpit. An absurdly low profile. Solo journeys or sharing the ride. The fun of three wheels.

Available in an engaging five-speed manual or an intuitive AutoDrive five-speed automated manual transmission, Slingshot puts the power in the hands of the driver to choose their ultimate ride.

Fully immerse in the experience and surroundings, in a ride that engages all your senses.

STYLE

Pair the open-air, adventurous driving with bold, head-turning design that's unlike anything else on the road. Customize your ride with over 100 factory accessories in 40+ colors for style and performance that match your reason to ride.

TECHNOLOGY

Stay connected to more than the open road with modern tech infused throughout. With the 7" Display powered by RIDE COMMAND, 3 stages of audio upgrades, back up camera, and driver assistance features, enhance your adventure before, during, and after the ride.

PERFORMANCE

Powered by the ProStar 2.0L naturally aspirated four-cylinder engine.

Packs the perfect power and punch for those who love the responsiveness of the gearbox or those who prefer the AutoDrive transmission doing the shifting.

SL PEAK POWER

DRIVE MODES

Slingshot features two drive modes, Comfort and Slingshot, activated via a steering wheel button. Comfort mode softens gear shifts for a relaxed ride, while Slingshot mode offers quicker, sharper shifts for a sportier experience.

SL

ELEVATED BY DESIGN

ENHANCED STYLE WITH THE TECH TO KEEP YOU CONNECTED.

Slingshot SL brings refined design and elevated performance together for the ride that's as dynamic as you are. From its premium finishes to its tuned ride experience, it's built to turn every open stretch into a reason to stay out just a little longer. Includes premium paint finishes and badging that reflect your style, and the 7" display powered by RIDE COMMAND to keep you connected and in control.

POWER WITH EDGE

UPGRADED PERFORMANCE AND ADDED STYLE FROM THE GET-GO.

Slingshot SLR brings upgraded performance and head-turning design together for those who live to chase what's next. Its 204HP engine delivers instant response and effortless acceleration, while refined details — from the larger rear wheel to Stage 2 Max Rockford Fosgate® audio and two-tone paint — make every ride feel personal. Built for those who see the open road not as escape, but as an invitation.

PERFORMANCE AND PRESENCE

**TOP-TIER FEATURES BUILT
FOR AMPLIFIED PERFORMANCE
AND AESTHETICS.**

Slingshot R is built for those who never settle — the ones chasing more moments, more precision, more presence. With its fully painted R front fascia, Vented Sport Hood, and premium finishes, it's designed for maximum presence. Brembo® brakes, gloss black wheels, and integrated navigation come standard, giving you control that feels effortless and performance that hits every sense. And with paddle shifters on AutoDrive, you're always in sync with the moment. This is the Slingshot that leads the line — refined, relentless, and ready to make every ride unforgettable.

SERVICE PARTS

Slingshot Engineered service parts deliver unmatched performance and fit for your vehicle.

All service parts are developed and tested for your vehicle. Tires, belts, batteries, body panels, electrical components and decals are the same parts that are manufactured on the factory lines for each specific vehicle. This ensures it doesn't merely fit your vehicle – it outperforms your expectations!

SHOP FOR SERVICE PARTS ONLINE OR VISIT YOUR SLINGSHOT DEALER.

DRIVE BELT

Slingshot Engineered belts deliver unmatched performance for your vehicle. Our belts are developed and tested on all our engines for all environments and conditions. Check your belt for delamination, hour glassing and glazing.

XKGlow® is a registered trademark of Daniel E. Julian DBA XK GLOW. Fitment and availability are subject to change at any moment. The Polaris Slingshot Accessories website designates the accessories designed to fit a vehicle model/year. As a dealer, follow the website instructions to determine which accessories you can install on a specific vehicle. When adding accessories, equipment, passengers and luggage to a vehicle, do not exceed total weight capacity of the vehicle or of the front or rear axle (GVWR or GAWR as indicated on the Safety Compliance Certification Label). It is the dealer's responsibility to use the Polaris Slingshot Accessories website as a tool for limiting the amount of accessories, based on maximum allowable vehicle weight requirements. For a complete listing of the accessories that are available for your vehicle, please contact your authorized dealer or visit the online store web site: <https://slingshot.polaris.com>.

Slingshade: It may be a violation of the Clean Air Act or the NHTSA regulations to disregard these requirements. Due to the technical nature of this kit, Polaris insists that this installation be performed by a trained Slingshot technician. Always secure latches during operation. Failure to secure latches may result in unintended opening or release causing injury to others or damage to Slingshade. This top is not a safety device or roll cage. It is not intended to protect the occupants in the event of a rollover or other unforeseeable events. This top is not a roof and is not intended to haul cargo. NEVER attach, strap, or haul objects of any type or weight on this top. This top is not intended to contain or restrain the occupant or provide additional safety protection.

Many colors, accessories and other personalization options exist, but your selections are subject to availability and vehicle differences may be subtle, so your vehicle may not be, or may not appear to be, one-of-a-kind.

Slingshot is a three-wheeled motorcycle. It is not an automobile. It does not have airbags and it does not meet automotive safety standards. Three wheel vehicles may handle differently than other vehicles, especially in wet conditions. Always wear a DOT-approved full-face helmet and fasten seat belts. The driver may need a valid motorcycle endorsement. Drive within the limits of the law and your own abilities. Read, understand and follow your owner's manual. Never ride under the influence of drugs or alcohol. U.S. models shown with optional accessories. ©2025 Polaris Industries Inc. All rights reserved.
