A DRIVE LIKE NO OTHER

Slingshot represents the ultimate expression of individuality and brings an element of fun and excitement every time you get behind the wheel.

EXPERIENCE

An open-air cockpit. An absurdly low profile. Solo journeys or sharing the ride. The fun of three wheels.

Available in an engaging five-speed manual or an intuitive AutoDrive five-speed automated manual transmission, Slingshot puts the power in the hands of the driver to choose their ultimate ride.

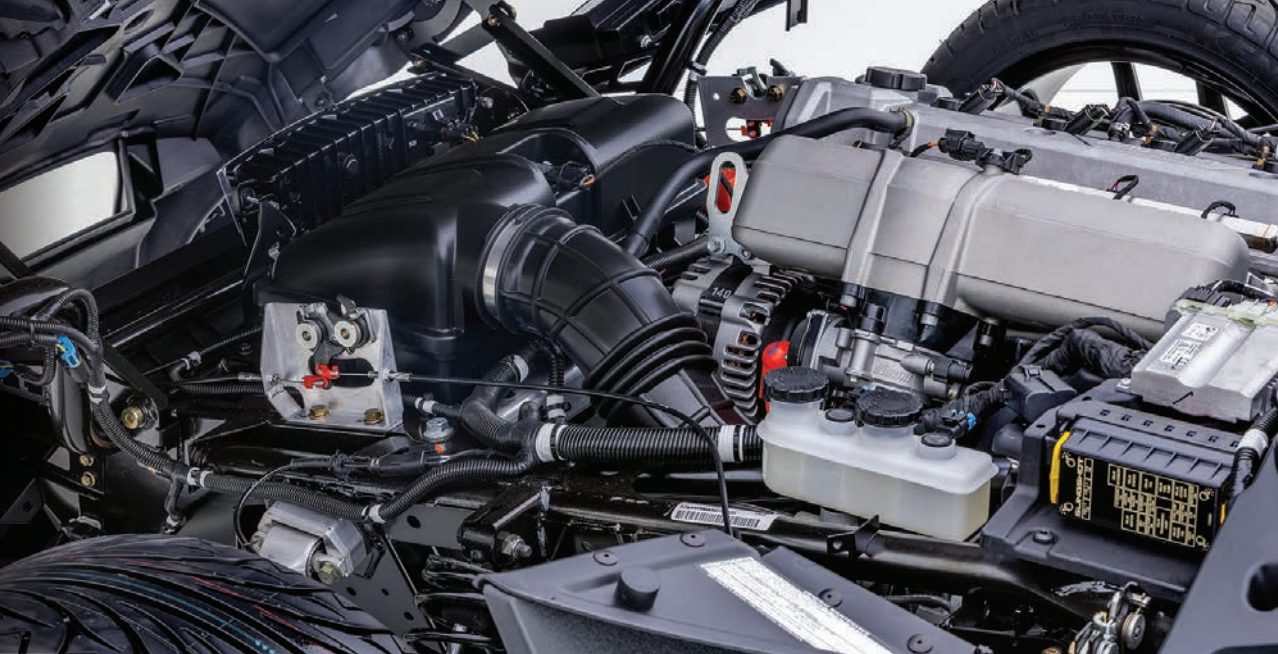

Fully immerse in the experience and surroundings, in a ride that engages all your senses.

STYLE

Pair the open-air, adventurous driving with bold, head-turning design that's unlike anything else on the road. Customize your ride with over 100 factory accessories in 40+ colors for style and performance that match your reason to ride.

TECHNOLOGY

Stay connected to more than the open road with modern tech infused throughout. With the 7" Display powered by RIDE COMMAND, 3 stages of audio upgrades, back up camera, and driver assistance features, enhance your adventure before, during, and after the ride.

PERFORMANCE

Powered by the ProStar 2.0L naturally aspirated four-cylinder engine.

Packs the perfect power and punch for those who love the responsiveness of the gearbox or those who prefer the AutoDrive transmission doing the shifting.

THE DRIVE STARTS HERE

**EVERYTHING YOU NEED TO
MAKE YOUR RIDE TRULY YOURS.**

Slingshot S is the purest expression of what it means to feel the drive. Designed for pure connection between you, the rush, and the road, it's built to chase moments, not attention. With an unmistakable stance and Stage 1 Rockford Fosgate® audio, it's as ready to move as you are. From backroad escapes to downtown detours, this is where your story opens up — one curve at a time.

The Polaris Slingshot Accessories website designates the accessories designed to fit a vehicle model/year. As a dealer, follow the website instructions to determine which accessories you can install on a specific vehicle. When adding accessories, equipment, passengers and luggage to a vehicle, do not exceed total weight capacity of the vehicle or of the front or rear axle (GVWR or GAWR as indicated on the Safety Compliance Certification Label). It is the dealer's responsibility to use the Polaris Slingshot Accessories website as a tool for limiting the amount of accessories, based on maximum allowable vehicle weight requirements. For a complete listing of the accessories that are available for your vehicle, please contact your authorized dealer or visit the online store web site: <https://slingshot.polaris.com>.

Slingshade: It may be a violation of the Clean Air Act or the NHTSA regulations to disregard these requirements. Due to the technical nature of this kit, Polaris insists that this installation be performed by a trained Slingshot technician. Always secure latches during operation. Failure to secure latches may result in unintended opening or release causing injury to others or damage to Slingshade. This top is not a safety device or roll cage. It is not intended to protect the occupants in the event of a rollover or other unforeseeable events. This top is not a roof and is not intended to haul cargo. NEVER attach, strap, or haul objects of any type or weight on this top. This top is not intended to contain or restrain the occupant or provide additional safety protection.

Many colors, accessories and other personalization options exist, but your selections are subject to availability and vehicle differences may be subtle, so your vehicle may not be, or may not appear to be, one-of-a-kind.

Slingshot is a three-wheeled motorcycle. It is not an automobile. It does not have airbags and it does not meet automotive safety standards. Three wheel vehicles may handle differently than other vehicles, especially in wet conditions. Always wear a DOT-approved full-face helmet and fasten seat belts. The driver may need a valid motorcycle endorsement. Drive within the limits of the law and your own abilities. Read, understand and follow your owner's manual.
