

Permitted Factory 600 Venting

These venting templates are for the 2022 & 2023 Matryx Indy Cross Country 600 vehicles only. No deviation from these template locations/hole size is allowed.

To download the venting templates visit the Polaris Snowmobile Racing website at

<https://snowmobiles.polaris.com/en-us/team-polaris/racer-resources/>

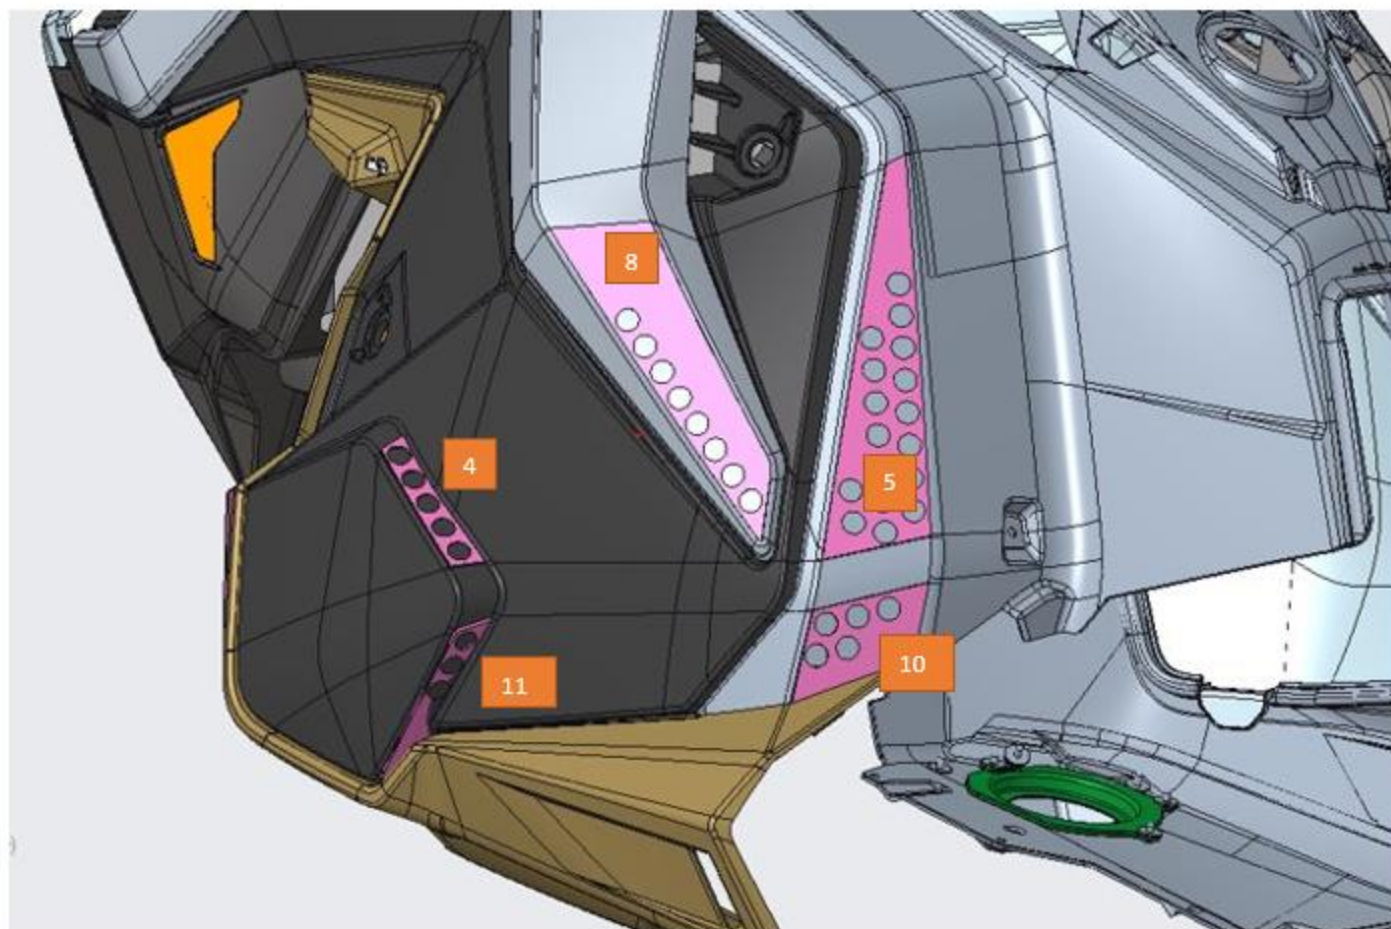

This is allowed in all Factory 600 classes for "Cross Country" racing

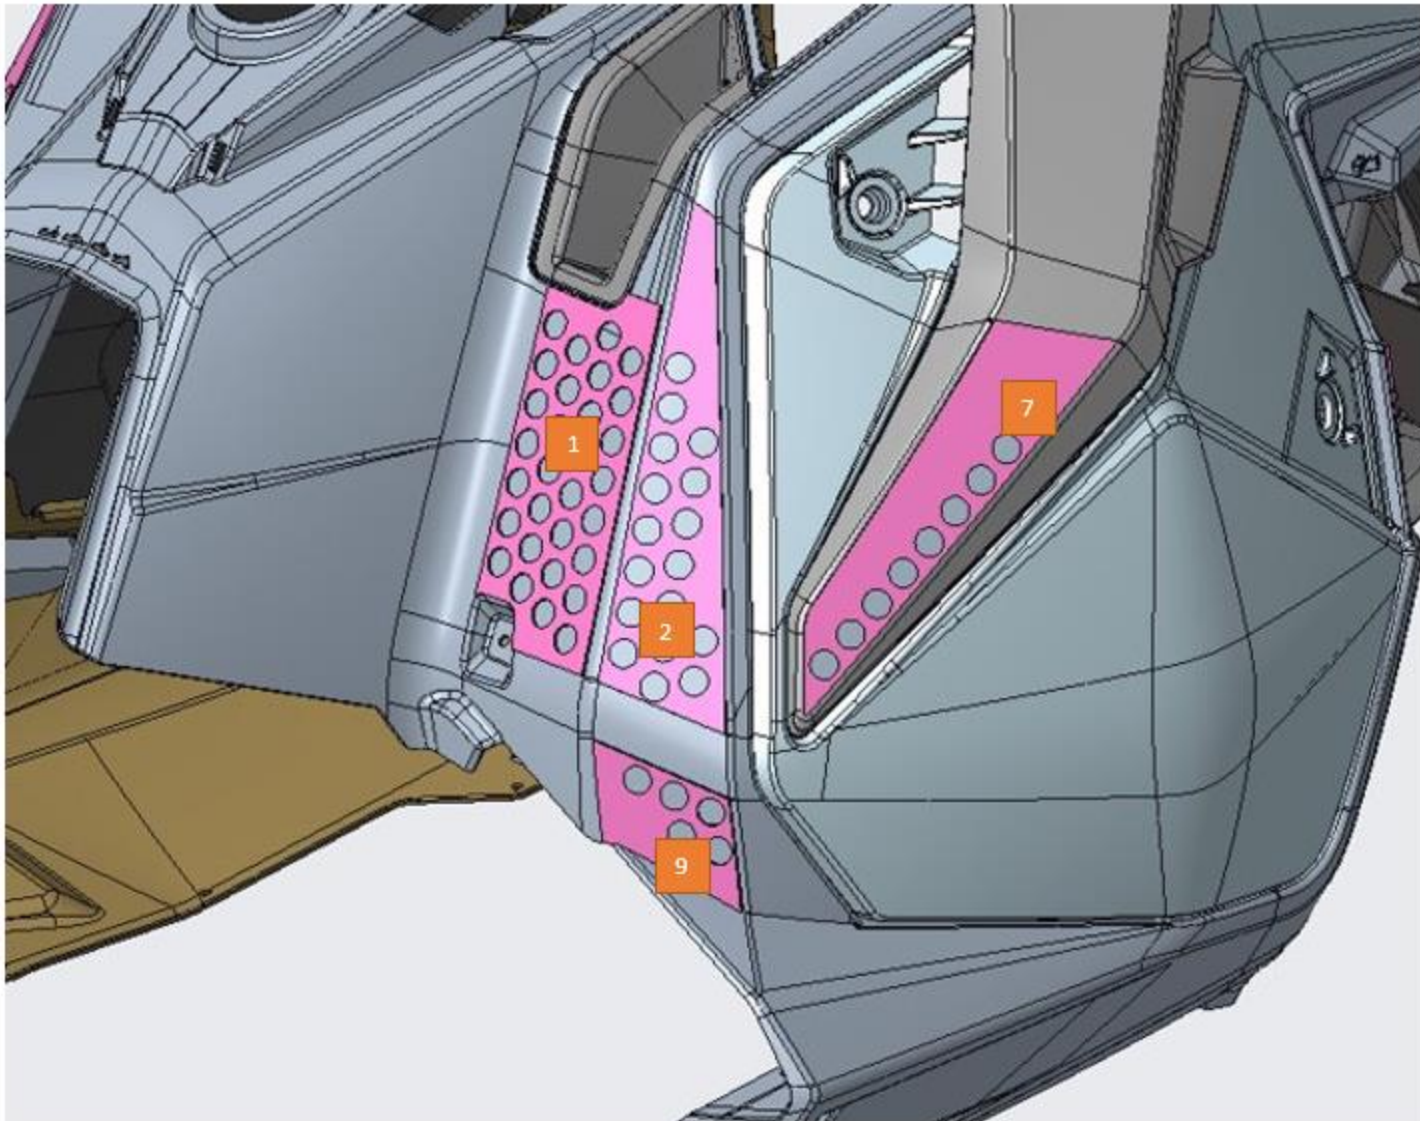

*the vent holes from templates #3, #4, #6 and #11 should have screen placed over them.

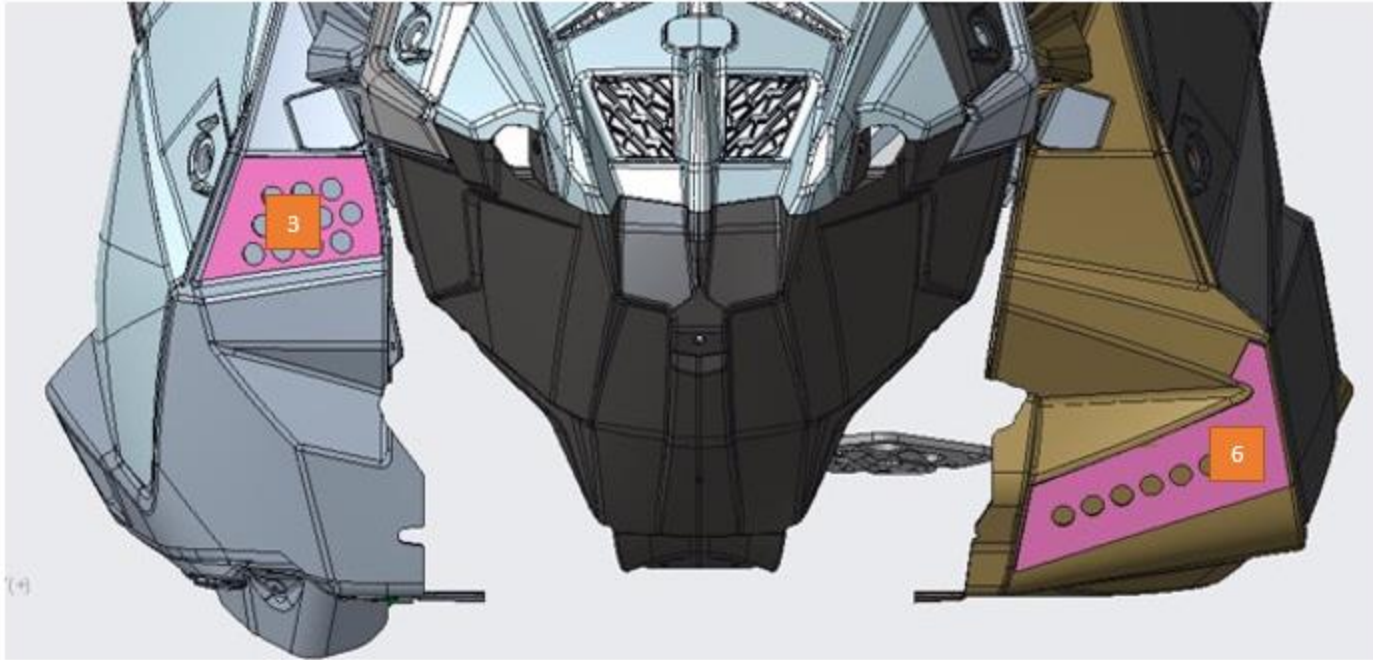

Order the below screen Kit directly from www.frogzskin.com for these 4 areas

#F0365

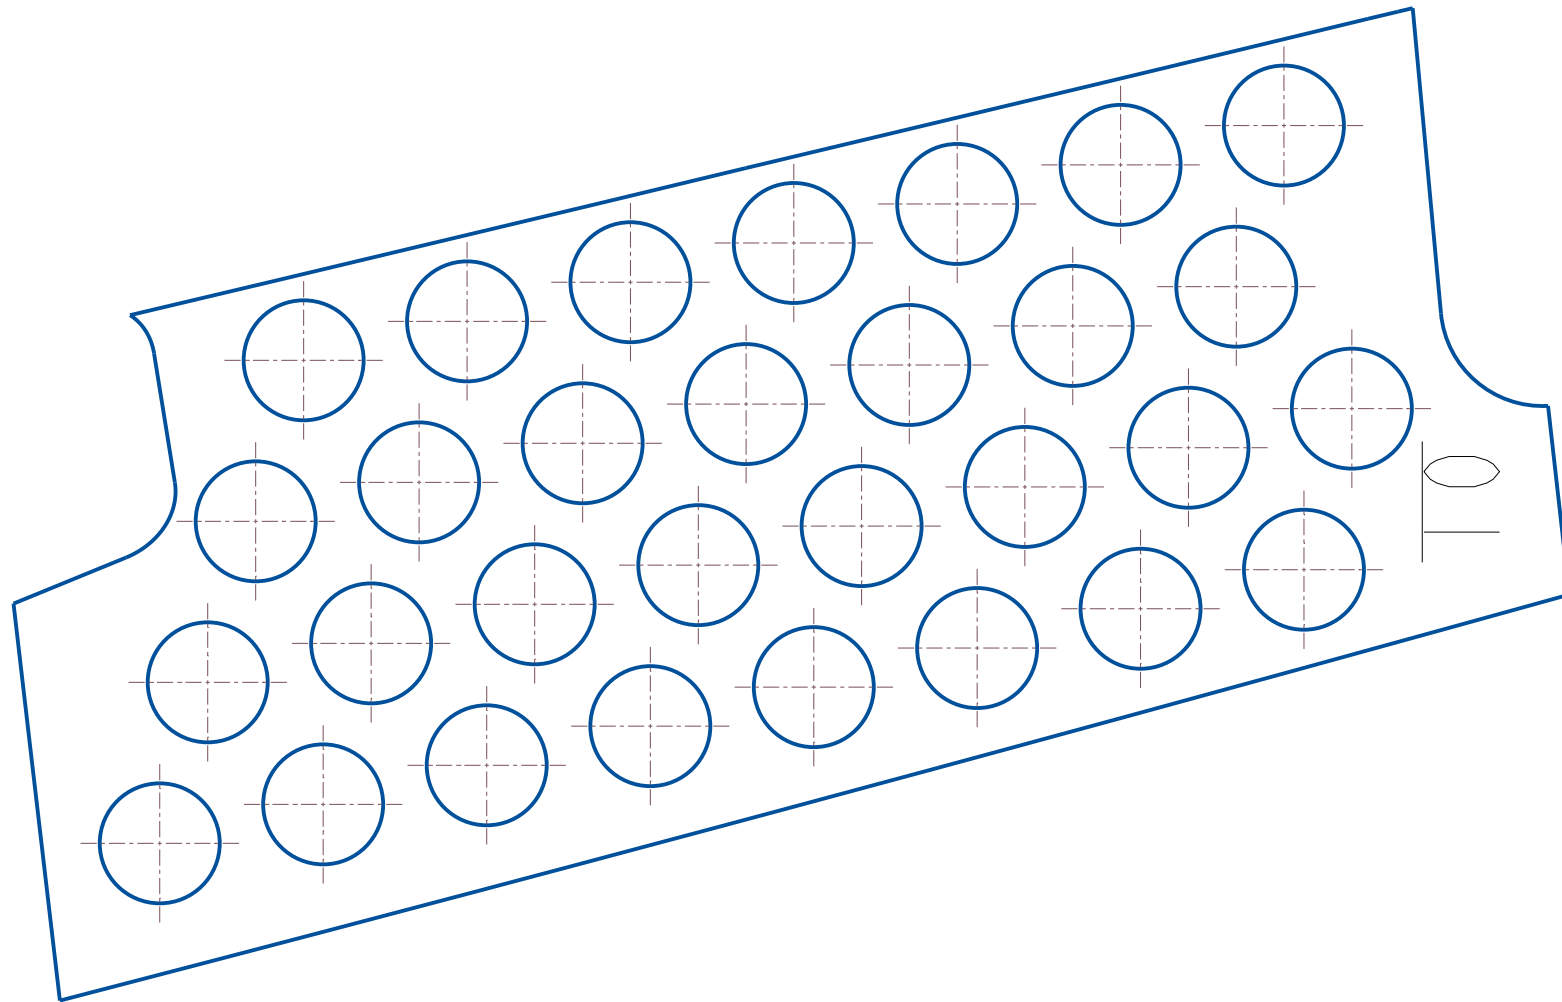

***Make sure printer is set to "Actual" size and not "fit"**
